

Middle Tennessee Metal Detecting Club
P. O. Box 23444
Nashville Tennessee 37202

To Whom It May Concern,

The Middle Tennessee Metal Detecting Club is having their annual club hunt and picnic on Saturday, October 18 at Gallatin, Tennessee. We are a non-profit organization and our club has many children as well as senior citizens. It will be a day of fun and many prizes will be given away. We would appreciate any gifts or donations that you could give. Thanks so much for your support.

Thanks again,

Julia Vaughn, Club President
